

# INTEGRATING ESPORTS INTO YOUR CURRICULUM

## CDW·G and the Panhandle Area Educational Consortium Contract 018-04

### Unconventional Student Engagement

As competitive esports programs sprout across the country, educators have an opportunity to rethink technology's role in academics. See how CDW·G's expertise and portfolio of gaming essentials can transform your school ecosystem and promote career and college readiness.

#### Benefits include:

- Amplified engagement – 15,000 – The number of students in the High School Esports League.<sup>1</sup>
- Unique differentiator for students creating an opportunity for a new area of study
- Enables collaboration by:
  - Involving multiple departments across campus, while also providing broadcast, social media and journalism opportunities
  - Allowing individuals to develop teamwork skills
  - Having a player understand their role within the game, understand how to make decisions and communicate as a team
- Promotes inclusivity by:
  - Fostering a sense of community and teamwork
  - Creating an environment where all students are accepted and celebrated.
  - Bringing a diverse group of students together to achieve a common goal
- Joining the National Association of Collegiate Esports (NACE), Tespa and the Big 10 in offering a new form of athletic competition between campuses
