PAEC Technology Leadership Academy

2017-2018

Description

The PAEC Technology Leadership Academy is a one-year program designed to facilitate PAEC District Staff becoming Certified Educational Technology Leaders. Participants will work to increase skills and knowledge in the following CoSN CETL areas of Leadership & Vision, Understanding the Educational Environment, Managing Technology & Support Resources, and Core Values & Skills

Key Goals

Successful completion of the PAEC Technology Leadership Academy will prepare participants to pass the Consortium of School Networking (CoSN) Certified Educational Technology Leader (CETL) Certification Exam.

Who Should Attend?

Technology/I.T. Directors, Instructional Technology Staff, Network Administrators, and Technology Support Staff.

Where

Northwest Regional Data Center (Third Thursday) or location otherwise noted on syllabus. Program activities will be conducted in conjunction with Technology Advisory Council Meetings. COSN content review activities will be conducted online using virtual meeting spaces and the Schoology Learning Management System.
